

CRAWFORD COUNTY LIBRARY

Policy Manual

Policy No. 420.1

Subject: Unattended Children After Hours

The purpose of this policy is to provide for the safety and well being of children at Crawford County Library and its Branch Library premises.

1. Closing hours at the Crawford County Library and its Branch Libraries are posted at the entrance to each facility.
2. After these hours the building is closed and there is no one at the library responsible for children who have not been picked up.
3. The library is asking that parents or caregivers pick up their children ten minutes before the library closes.

If children remain at closing, it will be necessary for the Library staff to contact police for assistance.
