## **Policy No. 800**

### **Subject: Financial Services**

The Crawford County Library Board and the Crawford County Board of Commissioners entered into a working agreement on October 1, 2000 for Crawford County to provide the Library with all payroll, budget, general ledger and financial services that are needed by the library to maintain good financial records in accordance with standard library accounting practices.

The Library agrees to comply with all audit and security requirements by the County.

The agreement can be dissolved by either party sixty (60) days after written notice has been provided to the other party. A copy of the document entitled “Working Agreement between The Crawford County Library Board and The County of Crawford” is attached to and made a part of this policy.
